[Section 9 amended by 2008:37 s.6 effective 8 August 2008]

Construction of “fit for registration”

10 (1) Where in this Part “fit for registration” is used in relation to a school, it means—

- (a) that the conditions obtaining at the school are not such as to endanger the health, morals or safety of the pupils attending at the school; and
- (b) that, having regard to the circumstances for the time being prevailing with respect to the provision of schools and educational facilities in Bermuda, there is in the case of that school a reasonable degree of compliance with the following requirements, that is to say—
 - (i) that the premises of the school are suitable and safe for a school;
 - (ii) that the accommodation provided on the premises of the school is adequate and suitable having regard to the number, ages and sex of the children attending at the school; and

- (iii) that efficient and suitable instruction is being provided at the school having regard to the ages, sex and abilities of the children attending at the school.

Registration of schools maintained wholly out of public funds

11 The Minister shall register in the register of schools required by this Part every maintained school and on being so registered every such maintained school shall be a recognized school within the meaning of this Act.

Registration of schools generally, etc.

12 (1) For the purposes of this Part the Minister shall keep a register of schools in which, subject to this section, shall be registered every school in Bermuda, whether established before or after the appointed day, being a school—

- (a) the manager of which makes application to the Minister for the purpose in the prescribed manner and furnishes the prescribed particulars; and
- (b) which appears to the Minister to be fit for registration.

(2) If with respect to any school established prior to the appointed day it appears to the Minister that he is in possession of sufficient information to satisfy him that the school is fit for registration, the Minister may, by notice to the manager of the school, dispense with an application for registration and may proceed to register the school.

(3) In the case of an application for the registration of a school which it is proposed to establish, the Minister, if it appears to him likely that the school (if established) will be a school fit for registration, may register the proposed school, but the registration shall be only provisional until confirmed by the Minister and, without prejudice to the powers conferred on the Minister by section 14, shall, unless sooner confirmed, cease to be valid on a date six months after the date of the registration or on such later date as the Minister, in particular cases, may appoint.

(4) The Minister may make rules prescribing the particulars to be furnished by the managers of schools in connection with applications for registration; and such rules may provide for notification to the Minister of any changes in the particulars so furnished.

(5) Where a school is registered pursuant to this section the Minister shall forthwith issue to the manager of that school a certificate of registration.

(6) The manager of a school shall cause the certificate of registration to be prominently displayed at some place on the school premises.

(7) A school which was registered under the repealed Act shall, on the coming into operation of this Act, be deemed to be registered under this Act, and subsection (5) shall have effect accordingly.

Penalty for conducting an unregistered school

13 If any person conducts a school which is not a registered school or a provisionally registered school he commits an offence against this Act and is liable on conviction by a

court of summary jurisdiction to a fine not exceeding \$5,000 or, in the case of a second or subsequent conviction, to a fine not exceeding \$10,000.

Procedure where a provisionally registered or registered school is or becomes unfit for registration

14 (1) If at any time the Minister, after due enquiry and consideration, comes to the conclusion that a provisionally registered school or a registered school is not or is no longer fit for registration, then the Minister—

- (a) in the case of a provisionally registered school may, if he thinks fit, serve upon the manager of the school a notice in the terms specified in subsection (2); and
- (b) in the case of a registered school shall serve such a notice upon the manager of the school.

(2) A notice served by the Minister under subsection (1) shall state with particulars the matters (hereinafter referred to as “the matters complained of”) comprised in the grounds on which the Minister has come to his conclusion; and, unless any of the matters complained of is in the opinion of the Minister irremediable, the notice shall specify the measures which, in the opinion of the Minister, are necessary to remedy such matters and shall specify the time within which such remedial measures are required to be taken.

(3) Subject to subsections (4) and (5), the time to be specified for the taking of remedial measures referred to in subsection (2) shall be not less than six months.

(4) Notwithstanding subsection (3), where in the opinion of the Minister any of the matters complained of is such as to endanger the health, morals or safety of the pupils attending at the school the Minister may require remedial measures to be taken forthwith or within such time (being less than six months) as the Minister may direct.

(5) Where any of the matters complained of is, in the opinion of the Minister, irremediable, or where any remedial measure specified by the Minister is not taken within the time specified by the Minister the Minister may strike the school off the register of schools, and thereupon the school shall cease to be a registered school or, as the case may be, a provisionally registered school.

(6) Where, pursuant to subsection (5), the Minister strikes a registered school off the register of schools, the certificate of registration issued under section 12(5) shall be deemed to be cancelled with effect from the date of such striking off.

(7) For the avoidance of doubt it is hereby declared that the manager of a school shall not be guilty of an offence under section 13 unless he continues to conduct that school after the Minister, by notice, has notified him that the school has been struck off the register of schools.

Meaning of “recognised school”

15 A school which for the time being is registered or provisionally registered is in this Act referred to as a “recognized school”.

Limitation on operation of schools

16 No school other than an aided school, a maintained school or a private school may be operated in Bermuda or be registered or remain registered.

Transition from aided to private school

17 (1) Where an aided school would, but for the receipt of a capital grant-in-aid out of public funds since 1 September 1965, be a private school, the Minister may enter into an arrangement with the manager for the repayment of the whole or part of such capital grant-in-aid on such terms as may be agreed by the parties to the arrangement.

(2) Any such arrangement shall be in writing and shall be signed by the parties thereto and shall be enforceable as a contract.

(6) Where a direction is given by the Minister that a child shall not attend at, or continue to attend at, a particular aided or maintained school then, attendance by the child at that school shall, where the child is of compulsory school age, be deemed, for the purposes of Part V not to be attendance at a recognized school.

67 (1) Notwithstanding any other provision of law, where the Minister, after consultation with the principal of a school, has reasonable cause to believe that a child attending that school is using any drug, the Minister may, with the prior written consent of the parent of the child, authorize an institution, selected by the parent of the child, or, failing such selection, specified in writing by the Minister, to test the child for such use.

(2) If the results of the test indicate the use of any drug the child shall be deemed to be a drug abuser and the Minister for the time being responsible for Health may, with the prior written consent of the parent of the child, authorize an institution selected by the parent of the child, or, failing such selection, specified in writing by that Minister to treat the child for drug abuse.

(3) Where pursuant to subsection (2) a child is being treated for drug abuse and the Minister, after consultation with the Minister for the time being responsible for Health, considers it appropriate so to do, the Minister may, during the continuance of the treatment, permit the child to continue to attend school.

- (a) the private school has implemented a policy in respect of drugs and drug abusers at that school; and
- (b) that policy has contributed and continues to contribute to the prevention, detection, control and treatment of drug abusers,

then, subject to subsection (12), the Minister may, by Order subject to the negative resolution procedure, exempt that private school from the application of this section.
