#### Unsolicited calls

27 (1) Except so far as permitted by regulations made by the Minister, no person shall in the course of or in consequence of an unsolicited call made on an individual by way of business enter into an investment agreement with the person on whom the call is made or procure or endeavour to procure that person to enter into such an agreement.

(3) The compensation recoverable under subsection (2) shall be such as the parties may agree or as the court may, on the application of either party, determine.

(4) The court may allow an agreement to which subsection (2) applies to be enforced or money and property paid or transferred under it to be retained if it is satisfied—

- (a) that the person on whom the call was made was not influenced, or not influenced to any material extent, by anything said or done in the course of or in consequence of the call;
- (b) without prejudice to paragraph (a), that the person on whom the call was made entered into the agreement—
  - (i) following discussions between the parties of such a nature and over such a period that his entering into the agreement can fairly be regarded as a consequence of those discussions rather than the call; and
  - (ii) was aware of the nature of the agreement and any risks involved in entering into it; or
- (c) that the call was not made by—
  - (i) the person seeking to enforce the agreement or to retain the money or property or a person acting on his behalf ; or

(6) Where any property transferred under an agreement to which this section applies has passed to a third party the references to that property in this section shall be construed as references to its value at the time of its transfer under the agreement.

(7) In this section—

“unsolicited call” means a personal visit or oral communication made without express invitation;

“investment agreement” means an agreement within the meaning of section 15(2).

#### *Objections to controllers*

Notification of new or increased control

28 (1) No person shall become a ten per cent or majority shareholder controller of an investment provider unless—

- (a) he has served on the Authority a written notice stating that he intends to become such a controller of the investment provider; and
- (b) either the Authority has, before the end of the period of ninety days beginning with the date of service of that notice, notified him in writing that there is no objection to his becoming such a controller of the investment provider, or that period has elapsed without the Authority having served

him under section 29 a written notice of objection to his becoming such a controller of the investment provider.

(2) Subsection (1) applies also in relation to a person becoming a member of an investment provider which is a firm.

(3) A notice under subsection (1)(a) shall contain such information as the Authority may direct and the Authority may after receiving such a notice from any person, by notice in writing require him to provide such additional information or documents as the Authority may reasonably require for deciding whether to serve notice of objection.

(4) Where additional information or documents are required from any person by a notice under subsection (2) the time between the giving of the notice and the receipt of the information or documents shall be added to the period mentioned in subsection (1)(b).

#### Objection to new or increased control

29 (1) The Authority may serve a notice of objection under this section on a person who has given notice under section 28 unless it is satisfied—

- (a) that the person concerned is a fit and proper person to become a controller of the description in question of the investment provider;
- (b) that the interests of clients or potential clients of the investment provider would not be in any other manner threatened by that person becoming a controller of that description of the investment provider; and
- (c) without prejudice to paragraphs (a) and (b), that, having regard to that person's likely influence on the investment provider as a controller of the description in question the minimum criteria would continue to be fulfilled in the case of the investment provider or, if any of those criteria is not fulfilled, that that person is likely to undertake adequate remedial action.

(2) Before serving a notice of objection under this section the Authority shall serve the person concerned with a preliminary written notice stating that the Authority is considering service on that person of a notice of objection and that notice—

- (a) shall specify which of the matters mentioned in subsection (1) the Authority is not satisfied about and, subject to subsection (5), the reasons for which it is not satisfied; and
- (b) shall give particulars of the rights conferred by subsection (3).

(3) A person served with a notice under subsection (2) may, within a period of twenty-eight days beginning with the day on which the notice is served, make written representations to the Authority; and where such representations are made the Authority shall take them into account in deciding whether to serve a notice of objection.

(4) A notice of objection under this section shall—

- (a) specify which of the matters mentioned in subsection (1) the Authority is not satisfied about and, subject to subsection (5), the reasons for which it is not satisfied; and

(b) give particulars of the rights conferred by section 33.

(5) Subsections (2)(a) and (4)(a) shall not require the Authority to specify any reason which would in its opinion involve the disclosure of confidential information the disclosure of which would be prejudicial to a third party.

(6) Where a person required to give a notice under section 28 in relation to becoming a controller of any description becomes a controller of that description without having given the notice, the Authority may serve him with notice of objection under this section at any time within three months after becoming aware of his having done so and may, for the purpose of deciding whether to serve him with such a notice, require him by notice in writing to provide such information or documents as the Authority may reasonably require.

(7) The period mentioned in section 28(1)(b) (with any extension under subsection (4) of that section) and the period mentioned in subsection (6) shall not expire, if it would otherwise do so, until fourteen days after the end of the period within which representations can be made under subsection (3).

#### Objection to existing controller

30 (1) Where it appears to the Authority that a person who is a controller of any description of an investment provider is not or is no longer a fit and proper person to be such a controller of the investment provider it may serve him with a written notice of objection to his being such a controller of the investment provider.

(2) Before serving a notice of objection under this section the Authority shall serve the person concerned with a preliminary written notice stating that the Authority is considering service on that person of a notice of objection and that notice shall—

(a) subject to subsection (5), specify the reasons for which it appears to the Authority that the person in question is not or is no longer a fit and proper person as mentioned in subsection (1); and

(b) give particulars of the rights conferred by subsection (3).

(3) A person served with a notice under subsection (2) may, within a period of twenty-eight days beginning with the day on which the notice is served, make written representations to the Authority; and where such representations are made the Authority shall take them into account in deciding whether to serve a notice of objection.

(4) A notice of objection under this section shall—

(a) subject to subsection (5), specify the reasons for which it appears to the Authority that the person in question is not or is no longer a fit and proper person as mentioned in subsection (1); and

(b) give particulars of the rights conferred by section 33.

(5) Subsections (2)(a) and (4)(a) shall not require the Authority to specify any reason which would in its opinion involve the disclosure of confidential information the disclosure of which would be prejudicial to a third party.

Contraventions by controller

- 31 (1) Subject to subsection (2), any person who contravenes section 28 by—
- (a) failing to give the notice required by subsection (1)(a) of that section; or
  - (b) becoming a controller of any description to which that section applies before the end of the period mentioned in subsection (1)(b) of that section in a case where the Authority has not served him with a preliminary notice under section 29(2);

shall be guilty of an offence.

(2) A person shall not be guilty of an offence under subsection (1) if he shows that he did not know of the acts or circumstances by virtue of which he became a controller of the relevant description; but where any person becomes a controller of any such description without such knowledge and subsequently becomes aware of the fact that he has become such a controller he shall be guilty of an offence unless he gives the Authority written notice of the fact that he has become such a controller within fourteen days of becoming aware of the fact.

- (3) Any person who—
- (a) before the end of the period mentioned in section 28 (1)(b), becomes a controller of any description to which that subsection applies after being served with a preliminary notice under section 29(2);
  - (b) contravenes section 28 by becoming a controller of any description after being served with a notice of objection to his becoming a controller of that description; or
  - (c) having become a controller of any description in contravention of that section (whether before or after being served with such notice of objection) continues to be such a controller after such a notice has been served on him;

shall be guilty of an offence.

(4) A person guilty of an offence under subsection (1) or (2) shall be liable on summary conviction to a fine of \$25,000.

- (5) A person guilty of an offence under subsection (3) shall be liable—
- (a) on summary conviction to a fine of \$25,000 and in respect of an offence under paragraph (c) of that subsection, to a fine of \$500 for each day on which the offence has continued;
