PART 4

OBJECTIONS TO SHAREHOLDER CONTROLLERS

Notification of new or increased control

25 (1) No person shall become a 10% shareholder controller or a majority shareholder controller of a licensed undertaking which is a company unless—

- (a) he has served on the Authority a written notice stating that he intends to become such a controller of the licensed undertaking; and
- (b) either the Authority has, before the end of the period of three months beginning with the date of service of that notice, notified him in writing that there is no objection to his becoming such a controller of the licensed undertaking, or that period has elapsed without the Authority having served him under section 26 a written notice of objection to his becoming such a controller of the licensed undertaking.

(2) Subsection (1) applies also in relation to a person becoming a partner in a licensed undertaking which is a partnership.

(3) A notice under subsection (1)(a) shall contain such information as the Authority may direct and the Authority may, after receiving such a notice from any person, by notice in writing require him to provide such additional information or documents as the Authority may reasonably require for deciding whether to serve notice of objection.

(4) Where additional information or documents are required from any person by a notice under subsection (3), the time between the giving of the notice and the receipt of the information or documents shall be added to the period mentioned in subsection (1)(b).

Objection to new or increased control

26 (1) The Authority may serve a notice of objection under this section on a person who has given notice under section 25 unless it is satisfied—

- (a) that the person concerned is a fit and proper person to become a controller of the description in question of the licensed undertaking;

- (b) that the interests of clients and potential clients of the licensed undertaking would not be in any manner threatened by that person becoming a controller of that description of the licensed undertaking; and
 - (c) without prejudice to paragraphs (a) and (b), that, having regard to that person's likely influence on the licensed undertaking as a controller of the description in question, the criteria in Schedule 1 would continue to be fulfilled in the case of the licensed undertaking or, if any of those criteria is not fulfilled, that that person is likely to undertake adequate remedial action.
- (2) Before serving a notice of objection under this section, the Authority shall serve the person concerned with a preliminary written notice stating that the Authority is considering service on that person of a notice of objection and that notice—
- (a) shall specify which of the matters mentioned in subsection (1) the Authority is not satisfied with and, subject to subsection (5), the reasons for which it is not satisfied; and
 - (b) shall give particulars of the rights conferred by subsection (3).
- (3) A person served with a notice under subsection (2) may, within a period of 28 days beginning with the day on which the notice is served, make written representations to the Authority; and where such representations are made the Authority shall take them into account in deciding whether to serve a notice of objection.
- (4) A notice of objection under this section shall—
- (a) specify which of the matters mentioned in subsection (1) the Authority is not satisfied with and, subject to subsection (5), the reasons for which it is not satisfied; and
 - (b) give particulars of the rights conferred by section 39.
- (5) Subsections (2)(a) and (4)(a) shall not require the Authority to specify any reason which would in its opinion involve the disclosure of confidential information the disclosure of which would be prejudicial to a third party.
- (6) Where a person required to give a notice under section 25 in relation to becoming a controller of any description becomes a controller of that description without having given the notice, the Authority may serve him with a notice of objection under this section at any time within three months after becoming aware of his having done so and may, for the purpose of deciding whether to serve him with such a notice, require him by notice in writing to provide such information or documents as the Authority may reasonably require.
- (7) The period mentioned in section 25(1)(b) (with any extension under subsection (4) of that section) and the period mentioned in subsection (6) shall not expire, if they would otherwise do so, until 14 days after the end of the period within which representations can be made under subsection (3).

Objection to existing controller

27 (1) Where it appears to the Authority that a person who is a controller of any description of a licensed undertaking is not or is no longer a fit and proper person to be such a controller of the licensed undertaking, it may serve him with a written notice of objection to his being such a controller of the licensed undertaking.

(2) Before serving a notice of objection under this section, the Authority shall serve the person concerned with a preliminary written notice stating that the Authority is considering service on that person of a notice of objection and that notice shall—

- (a) subject to subsection (5), specify the reasons for which it appears to the Authority that the person in question is not or is no longer a fit and proper person as mentioned in subsection (1); and
- (b) give particulars of the rights conferred by subsection (3).

(3) A person served with a notice under subsection (2) may, within a period of 28 days beginning with the day on which the notice is served, make written representations to the Authority; and where such representations are made the Authority shall take them into account in deciding whether to serve a notice of objection.

(4) A notice of objection under this section shall—

- (a) subject to subsection (5), specify the reasons for which it appears to the Authority that the person in question is not or is no longer a fit and proper person as mentioned in subsection (1); and
- (b) give particulars of the rights conferred by section 39.

(5) Subsections (2)(a) and (4)(a) shall not require the Authority to specify any reason which would in its opinion involve the disclosure of confidential information the disclosure of which would be prejudicial to a third party.

Contraventions by controller

28 (1) Subject to subsection (2), any person who contravenes section 25 by—

- (a) failing to give the notice required by subsection (1)(a) of that section; or
- (b) becoming a controller of any description to which that section applies before the end of the period mentioned in subsection (1)(b) of that section in a case where the Authority has not served him with a preliminary notice under section 26(2),

shall be guilty of an offence.

(2) A person shall not be guilty of an offence under subsection (1) if he shows that he did not know of the acts or circumstances by virtue of which he became a controller of the relevant description; but where any person becomes a controller of any such description without such knowledge and subsequently becomes aware of the fact that he has become such a controller he shall be guilty of an offence unless he gives the Authority written notice of the fact that he has become such a controller within 14 days of becoming aware of the fact.

- (3) Any person who—
- (a) before the end of the period mentioned in section 25(1)(b), becomes a controller of any description to which that subsection applies after being served with a preliminary notice under section 26(2);
 - (b) contravenes section 25 by becoming a controller of any description after being served with a notice of objection to his becoming a controller of that description; or
 - (c) having become a controller of any description in contravention of that section (whether before or after being served with such notice of objection), continues to be such a controller after such a notice has been served on him,

shall be guilty of an offence.

(4) A person guilty of an offence under subsection (1) or (2) shall be liable on summary conviction to a fine of \$25,000.

- (5) A person guilty of an offence under subsection (3) shall be liable—

- (2) The Authority may by notice in writing served on the person concerned direct that any specified shares to which this section applies shall, until further notice, be subject to one or more of the following restrictions—

- (4) No order shall be made under subsection (3) in a case where the notice of objection was served under section 26 or 27—
- (a) until the end of the period within which an appeal can be brought against the notice of objection; and
 - (b) if an appeal is brought, until it has been determined or withdrawn.
- (5) Where an order has been made under subsection (3), the Court may, on the application of the Authority, make such further order relating to the sale or transfer of the shares as it thinks fit.
- (6) Where shares are sold in pursuance of an order under this section, the proceeds of sale, less the costs of the sale, shall be paid into the Court for the benefit of the persons beneficially interested in them; and any such person may apply to the Court for the whole or part of the proceeds to be paid to him.
- (7) This section applies—
- (a) to all the shares in the licensed undertaking of which the person in question is a controller of the relevant description which are held by him or any associate of his and were not so held immediately before he became such a controller of the licensed undertaking; and

(2) If the Authority decides to impose a civil penalty, it must give the licensed undertaking concerned a decision notice.

34 (1) Subsection (2) applies if it appears to the Authority that an individual is not a fit and proper person to perform functions in relation to a regulated activity carried on by a person who is licensed by the Authority under this Act (‘a regulated person’).

(2) The Authority may make a prohibition order prohibiting the individual from performing a specified function, any function falling within a specified description, or any function.

(3) A prohibition order may relate to—

(a) a specified regulated activity, any regulated activity falling within a specified description, or all regulated activities;

(b) regulated persons generally, or any person within a specified class of regulated persons.

(4) In exercising its discretion to make a prohibition order under subsection (2), the Authority must have regard (among other things) to such factors, including assessment criteria, as the Authority may establish in a statement of principles.

(5) A licensed undertaking must ensure that no function performed in relation to the carrying on of a regulated activity, is performed by an individual who is prohibited from performing that function by a prohibition order.

(6) The Authority may, on the application of the individual named in a prohibition order, vary or revoke the order.

(7) The Authority shall publish a prohibition order that is in effect, and every variation of such order, in such manner as it considers appropriate to bring the order to the attention of the public.

(8) This section applies to the performance of functions in relation to a regulated activity carried on by a person who is an exempted person in relation to that activity as it applies to the performance of functions in relation to a regulated activity carried on by a regulated person.

- (b) has undergone, or is undergoing, training; or

the Court may make an order restraining the contravention.

(2) If, on the application of the Authority, the Court is satisfied—

- (a) that any person has contravened a relevant requirement; and
- (b) that there are steps which could be taken for remedying the contravention,

the Court may make an order requiring that person, and any other person who appears to have been knowingly concerned in the contravention, to take such steps as the Court may direct to remedy it.

(3) If, on the application of the Authority, the Court is satisfied that any person may have—

- (b) been knowingly concerned in the contravention of such a requirement,

the Court may make an order restraining such person from disposing of, or otherwise dealing with, any of his assets which it is satisfied the person is reasonably likely to dispose of or otherwise deal with.

(4) In subsection (2), references to remedying a contravention include references to mitigating its effect.

(5) "Relevant requirement", in relation to an application by the Authority, means a requirement which is imposed by or under this Act.

(2) On any such appeal, the tribunal may confirm or reverse the decision which is the subject of the appeal but shall not have power to vary it except that—

- (a) where the decision was to impose or vary any restriction, the tribunal may direct the Authority to impose different restrictions or to vary them in a different way; or
- (b) where the decision was to revoke a licence, the tribunal may direct the Authority to restrict it instead.

(3) Notice of a tribunal's determination, together with a statement of its reasons, shall be given to the appellant and to the Authority; and, unless the tribunal otherwise directs, the determination shall come into operation when the notice is given to the appellant and to the Authority.
