### **Census Day**

3       Census day is Wednesday 20 May 2026.

### **Director to take a census**

4       The Director shall take a census of population and housing of Bermuda during the census period.

### **Matters respecting persons at a private dwelling unit**

5       (1) A household reference person living at a private dwelling unit shall, during the census period, give information to a census officer in respect of any or all of the matters set out in Part A of Schedule 1 as they relate to the household reference person and any other household member, and in Part B of Schedule 1 as they relate to the household and the private dwelling unit, as such matters stood on census day.

      (2) Notwithstanding subparagraph (1), any other household member who has attained the age of sixteen years shall, as far as possible, give information to a census officer in respect of any or all of the matters set out in Part A of Schedule 1 as they relate to that household member and any other household member.

### **Matters respecting persons at a group dwelling unit**

6       (1) A household reference person living at a group dwelling unit shall, during the census period, give information to a census officer in respect of any or all of the matters set out in Part A of Schedule 2 as they relate to the household reference person and any other household member, and in Part B of Schedule 2 as they relate to the household and group dwelling unit, as such matters stood on census day.

      (2) Notwithstanding subparagraph (1), any other household member who has attained the age of sixteen years shall, as far as possible, give information to a census officer in respect of any or all of the matters set out in Part A of Schedule 2 as they relate to that household member and any other household member.

### **Matters respecting persons at a hotel**

7       (1) A person in charge of a hotel shall, during the census period, give to a census officer the full names of persons who stayed temporarily at the hotel on census night.

## **STATISTICS (CENSUS OF POPULATION AND HOUSING) ORDER 2026**

---

(2) The person in charge of a hotel shall, during the census period, give to a census officer the full names and room numbers of persons who, as of census night, usually reside at the hotel.

(3) A household reference person who usually resides at a hotel shall, during the census period, give information to a census officer in respect of any or all of the matters set out in Part A of Schedule 2 as they relate to the household reference person and any other household member, and in Part B of Schedule 2, as they relate to the household and the group dwelling unit, as such matters stood on census day.

(4) Notwithstanding subparagraph (3), any other household member who has attained the age of sixteen years shall, as far as possible, give information to a census officer in respect of any or all of the matters set out in Part A of Schedule 2, as they relate to that household member and any other household member.

(5) The person in charge of a hotel shall grant any reasonable request by the census officer for assistance in the execution of his duty under the Act in respect of persons who usually reside at the hotel.

### **Matters respecting persons at a non-sheltered location**

8 (1) A household reference person living at a non-sheltered location shall, during the census period, give information to a census officer in respect of any or all of the matters set out in Part A of Schedule 3 as they relate to the household reference person and any other household member, and in Part B of Schedule 3 as they relate to the household, as such matters stood on census day.

(2) Notwithstanding subparagraph (1), any other household member who has attained the age of sixteen years shall, as far as possible, give information to a census officer in respect of any or all of the matters set out in Part A of Schedule 3, as they relate to that household member and any other household member.

### **Matters respecting persons at an institution**

9 A person in charge of an institution shall, during the census period, give to a census officer information in respect of any or all of the matters set out in Schedule 4 as they relate to persons who stayed at the institution on census night.

### **Matters respecting commanding officer or captain**

10 The commanding officer, captain, or other person in charge of persons on board a government ship, or a vessel not ordinarily moored or anchored in Bermuda, shall during the census period give to the Director a list of the full names of such persons who were in Bermuda on census night.

### **Manner of census taking**

11 The Director may require persons referred to in paragraphs 5 to 10 to furnish such information by electronic means, telephone interview or personal interview.
