	SCHEDULE C
	Capital Account Expenditure
	HEAD 66 - Capital Acquisitions

WHEREAS it is expedient to provide for the issue of sums of money out of the Consolidated Fund and for the appropriation of the same to the services of the Government for the purposes specified in the Estimates for the year ending on 31 March 2022;

Be it enacted by The Queen's Most Excellent Majesty, by and with the advice and consent of the Senate and the House of Assembly of Bermuda, and by the authority of the same, as follows:

Citation

- 1 This Act may be cited as the Appropriation Act 2021.

## APPROPRIATION ACT 2021

---

### Interpretation

2 In this Act—

“Estimates” means the Estimates of Revenue and Expenditure for the year ending on 31 March 2022 as approved by the House of Assembly;

“Head” means Head of the Estimates;

“Minister” means the Minister of Finance;

“year” means financial year.

### Issue out of Consolidated Fund: current and capital accounts

3 (1) There may be issued out of the Consolidated Fund to meet current account expenditure in the year ending on 31 March 2022 \$1,030,749,141.

(2) There may be issued out of the Consolidated Fund to meet capital account expenditure in that year \$92,863,692.

### Appropriation: current account

4 Sums issued under the authority of section 3(1) are apportioned among and appropriated to the Heads of, and estimate of Ministries', current account expenditure specified in columns 3 and 4 of Schedule A.

### Appropriation: capital account

5 (1) Sums issued under the authority of section 3(2) are apportioned among the Heads of capital account expenditure specified in Schedules B and C and, subject to the following provisions of this section, are appropriated to the projects respectively specified in those Schedules.

(2) Subject to subsection (3), expenditure on any capital account expenditure project shall not exceed the sum provided for that project in column 3 of Schedule B or in column 2 of Schedule C.

(3) The Minister may, if he for good reason thinks fit, give approval in writing that the provision made in column 3 of Schedule B or in column 2 of Schedule C for a capital account expenditure project may be enlarged by the transfer to that project of the whole or part of a sum provided anywhere else in either Schedule B or Schedule C: but the Minister's power to give such approval is subject to the following conditions, that is to say—

- (a) the total expenditure under Schedule B shall not exceed \$64,027,886 but subject to section 6;
- (b) the total expenditure on any project in Schedule B, taking into account expenditure on that project in previous years, shall not exceed the sum shown in respect of that project in column 2 of Schedule B;
- (c) the total expenditure under Schedule C shall not exceed \$28,835,806 but subject to section 6.

## APPROPRIATION ACT 2021

---

Unspent appropriations not to lapse

6       Where—

- (a) a capital expenditure project was provided for by section 5 of the Appropriation Act 2020 (the "2020 Act"); and
- (b) in the case of a capital development project, the Minister responsible for Public Works certifies in writing that the development project was not completed before 1 April 2021; and
- (c) in the case of a capital acquisition project, the acquisition was not completed before 1 April 2021,

then, if the Minister in writing so determines, any sum provided for that project by, or pursuant to, section 5 of the 2020 Act that was unspent on 1 April 2021 does not lapse but is deemed to be provided for by section 5 of this Act and is available in every respect as if it had been expressly provided for that project by corresponding provision in section 5 of this Act.
