or permit, and shall in such case inform the holder of the licence or permit of the reason therefor.

(3) Where notice is duly given by the Minister under subsection (2) the Minister shall forthwith transmit a copy of the notice to the Chairman of the medical reference committee, who shall arrange for the holder of the driver's licence or learner's permit suspended as aforesaid to be given the opportunity of being medically examined by the committee as soon as may be; and, if the holder duly submits himself to the committee for medical examination, then the Chairman shall as soon as may be after the completion of the examination furnish to the Minister and to the person so examined a report of the findings of the committee.

(4) Where a case is duly referred by the Minister to the medical reference committee under the foregoing provisions of this section, then, notwithstanding anything in section 88(3), the suspension of the driver's licence or learner's permit held by the person to be medically examined shall continue in effect until a report of the findings of the medical reference committee is furnished to the Minister in accordance with subsection (3), or until the holder of the licence or permit either declines an opportunity of being examined by the medical reference committee or fails without reasonable excuse to attend before the committee for medical examination, whichever is the earlier occurrence.

- (a) the holder of driver's licence or learner's permit declines an opportunity of being medically examined as aforesaid, or fails without reasonable excuse to attend before the medical reference committee for medical examination; or

## **MOTOR CAR ACT 1951**

---

the Minister shall order the licence or permit to be produced to him and shall cancel it.

(6) Where, as a result of a medical examination carried out by the medical reference committee, a report is furnished by the committee to the Minister to the effect that the holder of the licence or permit does not, in the opinion of the committee, suffer from any disability which is likely to prevent him from driving in a safe and proper manner the class of motor car or the particular motor car which he was permitted to drive by virtue of the licence or permit of which he is the holder, the suspension imposed by the Minister under section 88(1) shall be deemed to be terminated, without prejudice to any power of the Minister under section 88(1) again to suspend the driver's licence or learner's permit in question.

- (e) has otherwise behaved in such a manner that it is desirable that his licence to drive a public service vehicle be cancelled,

the Board may, if they consider that in the public interest he should not be allowed to drive a public service vehicle, by order cancel his licence in so far as it authorizes him to drive a public service vehicle, and may order that he be disqualified for driving a public service vehicle; and shall by notice inform him accordingly.

(2) Where it is made to appear to the Minister that a person holding a driver's licence valid for the driving of a heavy truck or tank wagon has been convicted of any offence connected with the driving of any motor car, then if the record as a driver of the holder of the licence is such that it would have entitled the Minister to refuse to issue, or, as the case may be, to renew any such licence under section 83, then the Minister may by order cancel his licence in so far as it authorizes him to drive a heavy truck or tank wagon, and may order that he be disqualified for driving a heavy truck or tank wagon; and shall by notice inform him accordingly.

- (b) in a case such as referred to in subsection (1)(c), (d) or (e), at any time after the expiration of one month from the date on which the invalidation had effect,

(6) Where an order is revoked by the Board as aforesaid then without prejudice to any power of a court or of the Board under this or any other Act in relation to the suspension or cancellation of driver's licences—

- (a) the licence shall be as valid for the driving of a public service vehicle as it was before the order was made; and
- (b) the person concerned shall no longer be disqualified for the driving of a public service vehicle:

Provided that nothing in this subsection shall derogate from any power of the Board, on the expiration of the period for which the licence was issued, to refuse to renew the licence (in so far as it authorized the driving of a public service vehicle) or to refuse to issue a new licence valid for the driving of a public service vehicle.
